

What Is A Legacy Gift?

There are different kinds of legacy gifts or “planned giving” and each option offers you the opportunity to plan now for a future gift that will support the Redford Theatre for generations to come.

You may discover that you can make a meaningful contribution in ways you haven't previously considered.

Legacy giving options include:

- Life insurance policies or retirement plans naming the Redford Theatre as the beneficiary
- Bequests made to the Redford Theatre through your last will and testament
- Directing your gift to support a specific program at the Redford Theatre
- Making your gift a tribute in honor of a friend or loved one

The Impact of Your Legacy Gift

The Redford Theatre is run by the Motor City Theatre Organ Society a 501(c) (3) nonprofit organization. The Motor City Theatre Organ Society is dedicated to the preservation of the historic Redford Theatre, the understanding and enjoyment of the theatre pipe organ and the education and presentation of classic films and the arts.

Your thoughtful planning today, in collaboration with the Redford Theatre, will benefit metro Detroiters for generations to come.

Your Legacy Gift will help to:

- Continue operations of the Theatre
- Make much needed historic renovations to the Theatre
- Help us to expand our programming
